

The Brock Youth Centre (BYC) is looking for community members to join our Board!

The BYC is a not-for-profit corporation that was established in 2001 and its primary goal is to improve the social and economic well-being of youth by leading the operation of the Cool Cow Ice Cream Shop in Beaverton. This provides youth the opportunity to manage and operate a small business by making day to day business decisions, developing marketing strategies, and managing financial transactions with the goal of providing an exceptional customer experience.

The BYC Board is seeking new members that live in our community and have experience in areas such as business operations, marketing and community engagement, government relations, legal experience, finance expertise, and/or being a local business owner. The Board is looking to review its current vision and mission, including potential opportunities to continuously improve and expand its role in our community supporting local youth.

This is a volunteer position that requires you to attend monthly Board meetings and occasional Cool Cow Ice Cream Shop special events. This position would begin in January 2025.

If you have interest in discussing this opportunity, please contact Brett at bbcs1@rogers.com
